Emma Hosack- Elementary Paraprofessional

Emma is a Sargent Elementary paraprofessional originally from Marietta, Georgia. She graduated from the University of Georgia in 2019 with a degree in Sociology and moved to the San Luis Valley in 2020 for an AmeriCorps position in Alamosa. She very soon learned she had an interest in working with children and entering the education field. She is working towards gaining her Colorado Teacher's License for elementary education in the next year.

Ryan Rumley- Junior High History

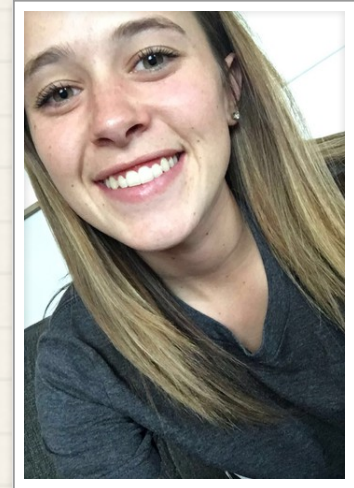

I am 22 years young, raised in Loveland, Colorado. I attended UNC in Greeley, graduating with a degree in History in 2021, before moving to the valley. I spent the summer camping in the

back of my homemade camper shell before coming down to work. I will be the fifth generation to take care of my family's ranch. I am always listening to music, exploring new genres constantly. I am an avid outdoorsman, having spent all of last summer camping in a homemade camper all over the state. I spent my time in the woods working out, reading, fly fishing, and fighting bears.

Gracie Burkhart

My name is Gracie Burkhart, I will be getting married this summer and my name starting next school year will be Mrs. Porter. I am a Sargent graduate from the class of 2019. I am going to Adams State to get my Elementary Education Degree with an emphasis in Literacy. I should have that degree by May of 2023. I am excited to be working in the same school that I went to and I love getting to know each and every student that I have come in contact with! Thank you for this wonderful opportunity and I look forward to getting to know everyone else in the district.
