

Entrance Age Requirements

A child may enroll in kindergarten if they are five years old on or before June 1 of the year of enrollment. Younger students who do not meet the district's age requirement for kindergarten may be accepted if transferring from another kindergarten program if the principal or designee determines that placement of the student in kindergarten is appropriate.

A child may enroll in the first grade if they are six years old on or before June 1 of the year of enrollment. Younger students who do not meet the district's entrance age requirement for the first grade may be accepted if transferring from the first grade in another school or if they are determined by the district to be performing at grade level.

A legal birth certificate or other acceptable record is required for enrollment age certification. The principal or designee will make exceptions to these entrance age requirements in accordance with state law pertaining to the education of military children.

CROSS REF.: JEA, Compulsory Attendance Ages

NOTE 1: Beginning with the 2020-2021 school year, first grade students no longer need to be at least 6 years old as of October 1 in order to be eligible for full-time funding. Instead, all students in grades k-12 must be at least 5 years old as of October 1 in order to be eligible for funding. State law still specifies that a district may count and receive funding only for kindergarten students who are five years old on or before October 1 of the applicable budget year or for kindergarten students who are four years old on or before the district's start date and identified as highly advanced and gifted students. C.R.S. 22-54-103(10)(b)(I)(A) &(B)

NOTE 2: The Interstate Compact on Educational Opportunity for Military Children, C.R.S. 24-60-3402 requires districts to enroll children of military families in kindergarten or first grade, regardless of the child's age if: (1) the child is transferring from another state and was enrolled in kindergarten or first grade in the other state; and (2) the child has a parent(s) who is active military. The Interstate Compact overrides the entrance age requirements of the School Finance Act C.R.S. 22-54-103(10). Please contact CDE's school finance unit for the audit requirements pertaining to this exception.
