Elementary Principal Updates

Joni Hemmerling spoke on the Kindergarten Round Up which was held April 6th and 7th and had a different set up this year with Jen Kimberling giving a readiness assessment while Mrs. Burkhart and Mrs. Hemmerling discussed the protocols and procedures with parents. It's looking like 27-28 possible kindergarteners. Kinder-2nd grade swimming finished the week of the 20th of April. 3rd-6th Grade CMAS finished April 12-14th, and makeups are finishing up this week. Hunter Safety Course was held March 27th and 28th with 16 students in grades 2nd-9th receiving their hunter safety certification. Program was very successful, plan to have on annual basis because of high interest level. Summer School option for all students for "learning loss" due to COVID. There will be a session in June and one in August before school starts which includes Reading and Math. The Annual Father/Daughter Dance will be held April 22, at 6:30-8 at the Bus Barn. Bike-A-Thon will be held May 6th. Mrs. Durre and some of her STUCO students collected donations in the amount of \$3,680 from local business. 6th grade promotion will be held May 26th at 8:30 and Kindergarten Graduation will be held May 26th at 2PM. Parker Mitchell got overall Science and Kari Christoferson won Teacher of the Year award. For more info the smore newsletter is available.

Superintendent Updates

Mr. Crowder discussed how busy the end of the year is. Sargent was fortunate to have in-class learning all year long when so many other schools had online school because of COVID. He praised the community and the kids in Sargent. He emphasized the opportunities in Sargent that other Valley Schools don't offer such as Work Ready programs/CTE (Current Tech. Education) including Business/FBLA, Aviation, Health and Sciences/Phlebotomy, and Ag/FFA. Sargent hopes for Junior High to be able to participate in CTE also. Trish Rue, the CTE Business teacher spoke on the benefits of these programs being on student's resumes for college and work force. If the Work Ready programs were lost many students would leave Sargent.

2020-21 Budget Update

Mr. Crowder was hopeful the education budget would make it through legislature. Governor Polis has been promoting the Education Funding Bill. Colorado needs to restore the Budget Stabilization/B.S. Factor prior to COVID. We can't approve budget till this gets passed. But Mr. Crowder was encouraged. Teacher's insurance increased. They froze teacher's salary. There is a 4th quarter supplemental to repay employees. They hope to raise salary next year. Openings of teacher positions for next year may not be filled so school will have extra money to improve

pay scale and benefits for teachers. Budget priority was teacher pay and expense and benefits; utilities and expenditures cannot change.

New Business 2020-21 Board Directives -Lower Priority

Performance evaluation-develop and modify plan: The CDE would not allow performance base or student assessment.

Marketing ideas for Sargent School: Ideas include: Post Sargent Happenings on Sargent Website. Produce Sargent Happenings brochure for Alumni and ask for donations. Include the CTE programs and Sargent success stories. Mention Tom Haefli donating a plane to Sargent School for Aviation program. Slade will bring down helicopter for students to see. Possibly asking for donors to donate to programs or teachers. Discussed gaining more DAC members: Ideas include: Ask other committee members (Booster, PTO, Academic, etc.) to be assigned to be on DAC for a period of time, send out personal invitations, emails, brochures to encourage DAC attendance, add DAC information to parent's registration packet including five statements of what DAC is, have DAC information on Sargent website.

The next DAC will be Tuesday September 14th, 2021 at 6PM at Dos Rios Restaurant.

At 7:42 Christa Davis made the motion to adjourn the meeting and Michelle Roepke seconded the motion and the meeting was adjourned.
