

A note from the Cafeteria:

Welcome to another wonderful school year Farmer students and parents! Thank you for allowing us to provide the best nutrition to our students, faculty, and family members!

In order to provide everyone with our meals this year there are a few announcements we would like to make.

First off we are so happy to announce all breakfast and lunches are free to all students! As part of the national school programs we are able to serve one breakfast and one lunch to every student at no cost!

With that being said, we know sometimes our growing children need another serving or just an additional snack with their provided breakfast or lunch. This means there will be second helpings available at a small additional fee. A second breakfast serving will be \$2.00 and an additional lunch serving will be \$3.85.

We will also be having our a la cart options. In order to purchase from these items there will have to be a **CURRENT CREDIT on the students account. This means we unfortunately will no longer be adding to past balances or creating an end of the year total.**

Please send the student with funds or come in to add to their account to purchase any additional meals outside the provided breakfast/lunch.

We are also happy to invite any family, friends, or faculty to enjoy our meals with the students. This is a purchased meal as well so please be aware of those fees. An adult breakfast will be \$2.40 and a lunch will be \$4.85.

Thank you to all for understanding and helping us provide the best service and quality for our students meal program! Now let's fuel up our engines for another amazing school year ahead!!

**Lori Sanchez
Food services director**
