From: Sargent Board of Education

Subject: We Need Your Input: Help Shape the Future of Athletics in Our District

Dear Sargent Community,

The Sargent Board of Education is excited to announce the launch of an important initiative: the development of a comprehensive **Athletic Strategic Plan** for our district. This plan will serve as a roadmap to guide the future of our athletic programs, facilities, and student-athlete experiences for years to come.

As we begin this process, we believe it is essential to include the voices of those who know our programs best—**students, families, coaches, staff, and community members**. Your perspectives, experiences, and ideas are invaluable, and your input will help ensure that our strategic plan reflects the diverse needs and goals of our entire school community.

We invite you to participate in a **brief survey** designed to gather your feedback on the current state of our athletic programs and your vision for their future. This is the first step in a collaborative planning process, and your participation is critical to its success.

Survey Link: <https://forms.gle/3C9qqWSwXpw1eJHh6>

Deadline to Complete: May10, 2025

Whether you are a parent of a student-athlete, a coach, an alum, a supporter of our teams, or simply someone who values the role athletics play in education and community life, we want to hear from you.

Thank you for helping us take this important step toward building a stronger, more inclusive, and more vibrant athletic future for Sargent. There will be in-person work sessions with student, parents, and coaches soon.

With appreciation,

Clay Mitchell

President, Board of Education
